JUGOSLAVIA

M. P. G.

Frankfurter Zeitung, 2. 8. 41. announces that the I.G. Farben-Industrie have increased their interests in Croatia. Two important representatives of the I.G. Farben have been elected to the Board of the Dynamite Distributions, A.G. in which Dynamit Nobel A.G. of Pretislava is interested. The latter is also interested in the Tvenit works at Kaselab and in the varnish factory Koster A.G. which works I.G. Farben patents.
